

Springbank Academy Newsletter

Friends of Springbank - PTA

We are excited to announce the establishment of our school Parent-Teacher Association (PTA) at Springbank Academy. The PTA plays a crucial role in supporting our school community by raising funds for specific events and learning resources that directly benefit our children.

We are looking forward to working closely with all parents and carers to make a positive impact on the educational experiences of our children. By joining the PTA, you will have the opportunity to contribute to the development of our school and enhance the learning environment for all children. Your involvement is invaluable, and we appreciate any time and effort you can dedicate to this cause. Once our PTA is fully established, we will be seeking more parents/carers to join us in this rewarding endeavour. If you are interested in becoming a part of our school PTA and making a difference in the lives of our children, please email us at PTA@springbank.academy

Your participation and support are greatly appreciated, and we look forward to working together to create a vibrant and engaging school community for our children.

MEET THE TEAM!

School Texts

As the cost of texts are rising, we are trialling a new way of communication, this phone number has previously been circulated. We will, however, be sending more notifications via email. Therefore, can you please check your emails regularly for updates before contacting school. We will be trialling this system for a few months but would welcome any feedback that you may have around October.

Our first PTA event will be on 4th September 2024. We will be having a school uniform sale. We are asking for school uniform that are in good used condition or new that we can sell to parents/carers. If you have any donations, please hand them to Mrs Roper in the school office by Friday 26th July 2024.
