## We will be offering Wrap-Around-Care from Monday 19<sup>th</sup> February 2024 3.15 – 5.30pm

Mrs Walton

Mrs Taylor

We are pleased to announce that, starting after the February half-term, Springbank Academy will be offering Wrap-Around-Care to support our valued parents and carers. We understand the challenges faced by working families and want to ensure that we provide a safe and nurturing environment for your children beyond regular school hours.

- Our Wrap-Around-Care program will be available from **3.15pm to 5.30pm each day**. We have carefully chosen this time slot to coincide with the typical finishing time of most working parents' jobs.
- **Each session will cost £10 per day, or there is an option to pay £45 for the entire week.** We know that budgeting is important, and we have endeavoured to keep the cost as low as possible to accommodate as many families as we can.
- We believe it is an excellent opportunity for your children to unwind, have fun, and enjoy a variety of activities in a supportive setting.
- Your child will be provided with a variety of snacks and drinks.
- Payments will only be accepted via the My Child at School platform.
- We highly encourage you to take advantage of this opportunity and enrol your child in our Wrap-Around-Care program. It will not only provide them with the chance to engage in structured activities and further their learning, but it will also alleviate some of the scheduling and logistical challenges that come with juggling work and family life.
- Booking form and Registration form will be available on the school website for you to complete. You can either email or print a copy to the school office. These must be completed before your child can join the Wrap-Around-Care sessions.

**PLEASE NOTE: WRAP-AROUND-CARE IS ONLY AVAILABLE FOR CHILDREN IN RECEPTION TO YEAR 6**
