1. Leadership: To ensure our Geography Curriculum focuses on the essential key skills and knowledge needed and that learning regularly revisited.	Ensure the long term Geography plan clearly highlights the essential skills and knowledge that need to be taught in each group, including Early Years. Review the Geography Curriculum and make any necessary changes to ensure learning is revisited throughout the years at Springbank.	Autumn Key learning highlighted in the LTP Spring There will be clear evidence in books of planning being followed in geography content and skills. Quantity of time spent teaching Geography will be evident in books/planning. Children will be using prior knowledge to build their skills and understanding. The prior learning will give children opportunities for children to revisit their knowledge and secure it in their long-term memory.	Added to Google Drive and Sent to CJ – Autumn Book Look- Spring/Summer Lesson visits (LV) Spring Pupil voice- Spring	E: LV will evidence engagement E: Books will evidence coverage and progression following LTP. E: Teaching will be progressive to enable children to build on prior learning. I/E: Revisits will allow children to confidently recall their learning.
