

Year 1 - Work Related Learning Day

As part of our Work Related Learning day, year 1 decided to start things off by talking about what their parents careers are. We had a discussion about what our parents do and the different places they work. We also spoke about some of our parents staying at home to look after us.

Next, we decided to share what we would like to do as a job when we are older.

Lots of us wanted to follow in our parents' footsteps and others had really exciting ideas about what future jobs they would like to have.

To finish off, we drew pictures of our future careers in our books.
