

Year 1 - Work Related Learning

Friday 1st October 2021

As part of our Work-Related Learning day, year 1 decided to start things off by talking about what their parents' jobs are. We had a discussion about what our parents did and the different places they work. We also spoke about some of our parents staying at home to look after us. Next, we decided to share what we would like to do as a job when we were older. Lots of us wanted to follow in our parents' footsteps and others had really exciting ideas about what future jobs they would like to have. To finish off, we drew pictures of our future careers in our books.
