

Swimming Data- Springbank Academy (2022-2023)

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	51.7%	<i>The children who did not achieve their 25M continued to go swimming every week to help them consolidate their swimming skills.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	51.7%	<i>To meet expectations the children needed to use a variety of strokes to achieve the required standard of 25m.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>20.68%</p>	<p><i>Only 6 children progressed to the safe rescue section.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes</p>	<p>We continued to take the year 6 children who had not achieve the expected standards.</p>

<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes</p>	<p>2 staff have completed the National school swimming qualification. Weekly staff briefings included information about the progress of the children and their swimming.</p>
