

Hi Emma

I wanted to get in touch about the day we spent hosting your Year 2 class at the University of Nottingham.

The children were absolutely fantastic! All the university staff and our student ambassadors commented on how enthusiastic, engaged and polite the children were. They were a real credit to your school. The answers they gave and the ideas they shared about life at university were brilliant, they have been a pleasure to spend time with! Watching them engage with the students was brilliant!

It goes without saying that you and the other staff were brilliant also. You all really got on board with the activities and supported the students in their delivery.

So a big thank you from me to everyone!
