

Sports Premium Strategy Statement: 2016-2017

- For the financial year 2016-17 we have been given an additional amount of money by the government called The PE and Sport Premium. This additional funding is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.
- In 2016-17 we will receive £8,810. As a school we believe that working with others to improve our school performance is very advantageous and the route to success. So this year, we have taken into account Ofsted reports of how schools are spending their PE and Sport Premium; government suggestions and our own successful experiences have been considered during the decision making process so that we can truly make informed decisions of how we can directly impact on improving the delivering and achievement of all individual pupils at Springbank Primary.

How we are intending to spend the money so far:

- Challenge walks including the 'Tour of the Three Peaks' in Derbyshire
- Introducing a 'new sport skills' day each Thursday morning
- Purchasing a new table tennis table to increase participation for an after school club following pupil voice after Team GB's performance in the 2016 Olympics
- Ordering new football goals/ nets for PE lessons and inter-school matches (Level 1)
- CPD opportunities for our sport coaches and additional members of staff within school to increase expertise and broaden the sports we can offer on a daily basis
- Extending our Change4Life activities at lunch time and 3pm each Monday and Friday

1. Summary information

School	Springbank Primary School				
Academic Year	2016/17	Total SP budget	£8,810	Date of most recent SP Review	February 2017
Total number of pupils	248	Date for next internal review of this strategy	April 2017		

Springbank Primary School

has achieved the Gold School Games Mark award for their commitment, engagement and delivery of competitive school sport in 2015/16

Quality Mark

As a result of all of the work completed over the past year we have been granted the Gold Schools Games Quality Mark. This has raised the profile of PE within school and our level 1 and 2 sports provision in and out of

school. We gained Gold accreditation in 2014-2015 and our vision is to continue receiving Gold accreditation each year. It is an amazing achievement to receive this recognition for all our hard work at Springbank Primary School to ensure all our children receive high quality sports provision.

Cost: £0

2. Numbers of participation at Springbank Primary School

	<i>Within our two hour sport provision</i>	<i>After-school clubs/ outer school provision</i>
Running, jumping, throwing and catching, balance and agility and co-ordination	EYFS-Y6 (248)	Running club- 17 children District sports- 32 children 2 Cross country events annually
Team games, developing tactics for attacking and defending	EYFS-Y6 (248)	KS1 Multi-sports- 32 children
Perform dances using simple movement patterns	EYFS-Y6 (248)	Dance club- 10 children
Badminton	KS2 (121)	Links to local comprehensive school
Basketball	Y1-Y6 (183)	Basketball (autumn term)- 30 places
Cricket	Y1-Y6 (183)	Cricket (summer term)- 30 places Local cricket competitions
Football	EYFS-Y6 (248)	KS1 club- 27 children KS2 club- 30 children Football cup and league matches Local football competitions
Hockey	Y1-Y6 (183)	Hockey club (summer term)- 30 places
Netball	KS2 (121)	KS2 club (summer term)- 30 places Netball competition
Rounders	KS2 (121)	Local rounders competition
Tennis	KS2 (121)	EYFS-Y6 (248) tennis experience days at the local tennis centre
Athletics	Y1-Y6 (183)	District sports- 32 children
Gymnastics	EYFS-Y6 (248)	Gymnastics club (summer term)- 15 places

Outdoor and adventurous activity challenges	EYFS-Y6 (248)	Hathersage and The Mill Outdoor experiences
Cheerleading		KS2 club- 30 children
Yoga		KS2 club- 7 children

3. Plans for future attainment

- A.** For school coach with teachers support to introduce new sports each Thursday morning (2 hours). **Summer term 2017**
- B.** Timetabled extra sports intervention each Monday and Friday 3-3:30pm for identified children in each year group. **On-going**
- C.** Audit, monitor and renew sports equipment to ensure the best quality resources are used to enhance our sports provision. **July 2017**

External Plans

- D.** Introduce challenge walks including the 'Tour of the Three Peaks' in Derbyshire (September- December 2017). **Hire The Mills Sports outdoor adventure programme (Summer 2017)- Friday July 21st 2017**

4. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	<p>M.C to deliver new sports which haven't been covered since September 2016. This will ensure Springbank Primary School has a fully purposeful/ engaging curriculum and we offer the full spread of sports/ activities stated in the National Curriculum for both key stage one and two.</p> <p>New equipment may need to be ordered in order to meet this outcome. A plan of coverage will allow this outcome to be measured and both pupil voice and the subject leader will be observing all sports taught. M.C will work closely with the class teachers to ensure high quality PE lessons occur.</p>	<p>Have we achieved the coverage of sports for the year? Through class teachers, sport coaches and external companies Springbank Primary School were able to meet every objective in the National Curriculum for Key stage 1 and 2.</p> <p>Have we provided the WOW factor for all children? Year 3 and 5 visited The Mill Adventure Base to go underground caving, water raft building, high ropes and climbing wall. The whole school experienced a sports activity week out in the community and an outdoor</p>

		<p>adventurous week in school and a Hatherage residential trip.</p> <p>Has new equipment been purchased, if required, to carry out these activities? Equipment audit carried out in July (JK and MC) and we also received free equipment from Premier League Primary Stars.</p> <p>Has there been an observation by the subject leader? JK has observed numerous lessons in year 1 with both MB and MC. KS2 football also observed and Year 6 dance.</p>
<p>B.</p>	<p>To extend our Change4life activities and provide on-going sports interventions for disadvantaged and identified children. A timetable of extra sports provision to be set in place for every Monday and Friday 3-3:30pm. Subject leader to work closely with the lunch time supervisor in planning and delivering Change4life activities.</p>	<p>Does M.B take identified children for extra dance support on a Monday 3-3:30pm? From September 2017 this target has been an area of focus again so JK can collect data on how successful and the impact of the dance intervention. MC has successful set up a gifted and talented year 5 and 6 football session 2:45-3:30pm and now this allows our football after school club to be only focused at year 3 and 4 to allow more children access to training and exercise. FIRST TIME FOOTBALL CLUB HAS BEEN OFFERED TO YEAR 3.</p> <p>What evidence/ benefit is the intervention group on a Friday receiving? We now have two children signed up in professional teams and every child who attends this intervention now has joined a football team outside of school.</p> <p>Are we providing high quality sport activities at lunch time that are well equipped? LM is responsible for making sure all lunch time equipment is well resourced and kept in excellent condition. A variety of sporting activities daily which are chosen through pupil voice.</p>

<p>C.</p>	<p>An audit of sport equipment to be carried out annually and new equipment to be ordered if required. This allows our class teachers and sport coaches to deliver high quality PE and sport activities across the whole school day. Lunch time equipment will also need to be monitored and renewed if required. Sport coaches to inform the subject leader when new resources are needed.</p>	<p>Can we deliver all the sports/ activities planned with high quality resources? Audit completed in July 2017 and all new equipment was organised and ready to use for September 2017.</p> <p>Does any of the lunch time equipment need renewing? LM reordered in July 2017 and requests new equipment when needed.</p> <p>Do we have all the resources required for our Sports Day? No additional resources were needed for our Sports Day in May 2017 as all the equipment has been returned and kept in excellent condition.</p> <p>Is there anything additional we could supply in order to support, challenge and extend a child's PE progression and provision? To introduce the Tour of the Three Peaks and to make sure that The Mill Adventure experience can be booked in school for summer term 2018. Our 'wish' choice is to have a multi-purpose netball/ basketball courts marked out on the playground to aim the delivery of these ball games. This is now an objective for the Sports Premium Plan 2017-2018.</p>
<p>D.</p>	<p>To provide the WOW factor and increase participation / fitness levels of our children we are aiming to introduce a variety of challenge walks both locally to Springbank Primary School and further afield including the 'Tour of the Three Peaks' in Derbyshire. These will be planned into our school's annual planner and become part of the everyday/ week expectations of our children.</p> <p>To book our annually sports trip to The Mill and also to have the organisers to carry out a sports experience day using our school grounds. Also during KS1 SATS testing the remaining children will be attending, competing and enjoying a range of sporting activities provided by other organisations/ locations. This will</p>	<p>Have our children been on some form of a challenge walk termly? From September 2017 we have introduced a mile walk/ run daily from 1pm-1:15pm and for autumn term 2017 we have walked as a school for approx. 65 miles.</p> <p>Has the 'Tour of the Three Peaks' been booked/ planned into our school diary? This objective has been carried over into the 2017-2018 plan and will be booked for spring/ summer term 2018.</p> <p>Has the subject leader booked The Mill experience?</p>

be embedded as 'Mental Health & Wellbeing.'

The Mill was booked for the 21st July 2017 and will be booked again for the summer term 2018 as well as the in school adventurous activity day for year 4 and year 6 in summer term 2018.

Has the Sports Week been successful with a variety of sporting experiences? It was amazing to have so many local opportunities booked: Greasley Sports Centre, Shipley Park, Eastwood Community Football club, Vibes gym, Coronation park and Colliers Wood.

5. Planned expenditure

Academic year

2016/17

Stated below enable schools to demonstrate how they are using the sports premium to improve the teaching and learning of Physical Education at their school

Desired outcome

What is the evidence and rationale for this choice?

Staff lead

Evaluation? Impact?

A

Springbank Primary School has a fully purposeful/ engaging curriculum and that all the different sports/ activities stated in the National Curriculum for both key stage one and two.

JK
MC

IMPACT: A year plan of coverage has been set in order to ensure breath and balance of the curriculum is delivered. MC and JK carried out a full PE equipment audit and replaced and ordered new equipment ready for our PE provision September 2017. Excellent turnout at PE/ dance showcases which provided the 'WOW' factor and a full week of sport delivered outside in the local community during enrichment week.

Total budgeted cost

£3,610

<p style="text-align: center; font-size: 2em; background-color: yellow; padding: 5px;">B</p>	<p>Extend Change4life activities and provide on-going sports interventions for disadvantaged / targeted behaviour children and identified mental health well-being children.</p>	<p>JK MC MB SS</p>	<p>IMPACT: Gold award achieved again this year due partly to our Change4life activities at lunch time. High quality resourced activities with very skilled staff. The mid-day staff are aware of the children to target for the activities and also to push the gifted and talented to allow them apply their skills and be challenged. Children encourage participation to raise attainment and commitment to sport. Positive praise/ observations have been made by visitors about our outside sport provision at lunch time.</p> <p>Why not highlighted in green yet?</p> <p>Action September 2017- M.B and M.C on a Monday and Friday 3-3:30pm to deliver extra PE provision to targeted disadvantage children. JK to organise and track their attainment journey for one term. Have any skill gaps closed?</p>
--	--	--------------------------------	---

Total budgeted cost	£500
----------------------------	------

Desired outcome	What is the evidence for this choice?	Staff lead	Evaluation? Impact?
	<p>Governor Behaviour reports SLT behaviour learning walks Behaviour team elicitation/strategic thinking discussions Trial 'well-being' learning sessions</p>		

<p style="text-align: center; font-size: 2em; background-color: yellow; padding: 5px;">C</p>	<p>An audit of sports equipment to be carried out annually and new equipment to be ordered if required.</p>	<p>JK MC MB SS</p>	<p>IMPACT: New equipment ordered July 2017. New equipment arrived and organised September 2017 ready for teaching autumn term 2017. We also received a huge amount of free sports equipment from Premier League Primary Stars. All equipment has been boxed and organised in the PE shed. JK and MC to regularly check and make sure the shed is kept in excellent condition. JK to check at the end of every half term.</p>
--	---	--------------------------------	---

Total budgeted cost	£1,000
----------------------------	--------

Desired outcome	What is the evidence and rationale for this choice?	Staff lead	Evaluation? Impact?
	Daily participation Pupil voice Staff bids		
D	<p>To provide the WOW factor and increase participation / fitness levels of our children. We are aiming to introduce a variety of challenge walks including the 'Tour of the Three Peaks' in Derbyshire.</p> <p>To book the established annual sports trip to The Mill and also have the organisers plan and organise a sports experience day using our school grounds.</p> <p>During KS1 SATS testing the remaining children will be attending, competing and enjoying a range of sporting activities provided by other organisations/ locations.</p>	JK JV JK JV CF	<p>IMPACT: Very successful 'Mental Health & Wellbeing' week. Has been timetabled into the annual planner again for 2018. Wasn't possible to book the in school experience in 2017 therefore the plan is to have this booked in autumn term 2017 for summer term 2018.</p>
			Total budgeted cost £3,000

Other areas to be taken into consideration:

Training/ CPD

- CPD opportunities for sport coaches and additional members of staff within school to increase expertise and broaden the sports we can offer on a daily basis.

Planned Cost: £400 (Funded by school budget)

Involvement in Inter and Intra School Competitions

- We believe we need to provide competitive opportunities for our children. We promote the ethos of children doing as well as they can, winning with modesty and losing with grace. This allows our STARFISH values to be carried out, especially sportsmanship. We believe it is important that we become involved in as many events and competitions as possible. Springbank Primary School sign up for a variety of different competitions including the local football league and cup matches, The Sainsbury's School Games and the Eastwood and District Schools' Sports Association. We need to plan an estimate cost to enter/ pay the fees involved, book transport and purchase sports clothing, equipment and competition kits if required.

Planned Cost £700

September 2017- £3,314

The Mill and coach -£1,500?

The sports equipment- £1,400?

Approx. £500 to roll over to new balance

February 2017
